REMARKS

Technology Center 2100

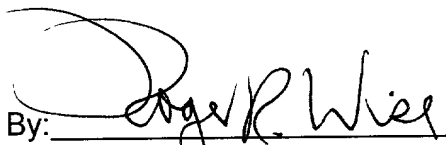

Amended formal drawing Figs. 1, 4i and 4j are enclosed. On March 5, 2001, the U.S. Patent & Trademark Office (USPTO) issued a Notice to File Corrected Application Papers. The USPTO objected to the size of the margins in Figs. 1, 4i and 4j.

These drawings have been amended to comply with the margin requirements set forth in 37 CFR 1.84. In Fig. 1, the right side of the box 110 has been moved an appropriate distance to the left. Figs. 4i and 4j have been reduced in size. No other changes have been made to Figs. 4i and 4j. Applicants respectfully request an action on the merits.

Respectfully submitted,

PILLSBURY WINTHROP LLP
